

British Brick Society

Works Visit

Wednesday, 18th October 2023

Visit commences at 10.30 am.

WT Knowles & Sons Ltd

Ash Grove Sanitary Pipe Works

Elland Road, Elland, HX5 9JA

W T Knowles is the only privately owned manufacturer of clay chimney pots in the UK, and one of only three companies left from what was historically a large sector of the heavy clay products industry.

Many of the traditional clay moulding processes from the early 20th Century are still retained, producing both glazed and unglazed products. The original kilns were all coal fired but today company has six down-draught beehive kilns five of which are gas fired with just one remaining coal fired kiln.

Please note, that due to operational restrictions there will only be 10 places available.
